

Strategic Financial
Leadership
for Scaling
Businesses

IRONGATE
FINANCIAL SERVICES

—“Gatekeepers of Integrity”—

UNLOCK THE POWER OF STRATEGIC FINANCE

At Irongate Financial Services, we provide high-impact financial leadership to companies in growth mode. We specialize in working with CEOs, owners, and founders of small to mid-sized businesses (\$10M–\$100M in revenue) across industries including:

- Financial Services • SaaS & Technology • Franchises
- Oil & Gas • Manufacturing • Law Firms

Whether you're facing rapid expansion, preparing for investment, or simply want a stronger grip on your financials, we serve as your strategic partner.

Fractional CFO Services

Build Your Financial Foundation Without a Full-Time Hire

Get executive-level financial leadership at a fraction of the cost.

Our Fractional CFO services offer:

- Strategic Financial Planning & Analysis
- Budgeting, Forecasting & Cash Flow Management
- Operational & Financial Reporting
- Fundraising Strategy & Support
- M&A Preparation & Due Diligence
- Board & Investor Communications
- Profitability & Margin Optimization

We tailor our engagement to your needs – onsite or remote, project-based or ongoing.

Forensic Accounting Services

Protect Your Business With Financial Clarity

When financial issues arise – whether it's suspected fraud, misappropriated funds, or dispute resolution – you need a skilled expert to uncover the truth. Our forensic accounting services include:

- Fraud & Financial Misconduct Investigations
- Business Dispute & Litigation Support
- Financial Records Reconstruction
- Damage Assessments & Loss Quantification
- Internal Controls Review
- Support for Legal Counsel & Insurance Claims

We deliver clear, defensible findings designed to withstand scrutiny.
